

Philips Lumileds
Lighting Company

19th March 2012

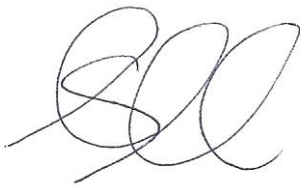

To Whom This May Concern

We can confirm that LUMO Advanced Lighting, have been a loyal user of Philips Lumileds, LUXEON LEDs for more than 4 years. LUMO Advance Lighting is also key member of the Philips Lumileds, *Light by LUXEON* program. The Light by LUXEON program is only available to partner companies.

LUMO Advance Lighting receives regular technical training and has access to Philips Lumileds resources through the **Technical Support Management** team and Philips Lumileds, **Customer Program Application Team (CPAT)**. LUMO Advance Lighting also receives access to Philips Lumileds product roadmaps and early access to new and improved products.

We wish LUMO Advance Lighting, the best of luck with their sales and marketing activities.

Yours sincerely

Allan Horn
